

Parents, teachers, neighbours, local businesses, tradespeople, friends and family.. we would like to introduce you to the [Parent Pages Cashback Reward Scheme](#)

Calling all Online Shoppers supporting The name of my school goes here!

Our PTA is launching a new fundraising scheme to raise funds to help support our children and our school.

Whether you are a regular online shopper or if you only make the occasional one-off online purchase, an extra couple of clicks every time you buy online could generate significant cash for our school projects.

Any purchases made through www.parentpages.co.uk will earn Reward points which we can exchange for cash that can be put towards anything that will benefit the children and the school.

There are hundreds of online retailers on the website including many well known high street names:

Dixons	Direct Line	Carphone Warehouse	eBay
Warner Breaks	Tesco	Marks & Spencer	Play.com
PC World	Woolworths	Early Learning Centre	John Lewis
MFI	Mothercare	NTL Broadband	Harrods

You link to, and buy **directly** from the retailer you want to buy from. You are **not** buying from the school, from parentpages.co.uk or from any website other than your chosen shop.

When you log on to www.parentpages.co.uk, click on the link **Shop online** and you will be asked to nominate a school. Once you have done this, you should not have to do it again. Always make sure the name of our school appears at the top of the directory page before you shop.

Even if you have an existing account with a retailer, insurance company, trade supplier or catalogue, you can still earn points by placing your orders online through Parent Pages.

You will never pay more than you would usually pay - from time to time you can take advantage of special online-only offers and discounts.

Remember you will only earn cashback points for your school if you go through www.parentpages.co.uk
